Choose from the latest handsets and begin to experience the *true* Internet, as only SmarTone-Vodafone can offer.

Enjoy the freedom of watching the latest videos, exploring an exciting world of RSS and Podcasts and managing it all with a clever little way to sync your PC and mobile bookmarks. It doesn't stop there, we also let you share the great stuff you find with all your friends. All the fun and knowledge the Internet offers...Right on your mobile. Right now.

For these exclusive handset offers, visit our stores or go to [smartone-vodafone.com](http://smartone-vodafone.com)

## Bonus Offer

Subscribe now and receive Internet Radio, RSS or Podcasts free for two months.

see you there
