

Vodafone Business Email

Do The Write Thing

Stay Closer To Your Chinese Contacts

The new 3G Palm® Treo™ 750v from Vodafone makes writing Chinese emails an absolute breeze. And with Vodafone Business Email, messages arrive automatically complete with full viewing of original attachments. Discover for yourself how Palm's powerful transformation of the Windows Mobile® 5.0 experience brings the Treo 750v unprecedented ease of use.

Yet another way we're helping you do business without compromise.
